she clutched it to her breast as her gaze turned toward the door, trying to fit the image of the man who stormed out earlier with the image of a tiny baby in the soft white gown

pharma and politicians, or the young kids addicted to drugs? the latter are definitely not the ones with

brianna baker, neal dandade, greg ott, and niccole thurman offer pretty biting commentary on cults of personality

i can tell by how some of you write, you must be one of the uneducated

the number of possible combinations, be sure to leave a comment with that figure 8211; i8217;m curious
